To Attorney:
Mr. Vincent J. Sanzone Jr.
277 North Broad St.
Elizabeth, New Jersey 07208

Dear Sir,

Albert and myself cannot thank you enough for all your kindness and efforts to help him when he was facing a multitude of charges in Metuchen, N. J. As you well know do to Al's many problems through the years afflicted with schizophrenia it made it almost virtually impossible for him to either financially or personally defend himself. I spent many long months and days trying to get him Legal help all in vain and just when it seemed almost hopeless I contacted you. Your kindness, patience, understanding and all your efforts defending him by coming to Metuchen Court on his behalf all at your own time and expense was more than anyone else wanted or cared to do. Mr. Sanzone please forgive me for taking so long to thank you but I was hoping to be able to contact some one on the state level in order to have it on some type of official record what you did. I know you want no thanks but if you know what agency I could write to I would appreciate their title and address. In closing let me take the time to wish you and you family all the best for the coming Holiday's

Yours Truly,

Albert and Pearl Flath
